

PLEASE NOTE: ALTHOUGH YOUR DESIGN NEEDS TO BE THE ENTIRE LENGTH OF THE FIN (85CM), NO IMPORTANT DESIGN ELEMENTS, INFO OR LOGOS SHOULD GO IN THE SHADED RED ZONE AS IT MAY BE HIDDEN IN THE FOOT POCKET OR TRIMMED AT THE TOE END. THE MAIN DESIGN NEEDS TO FEATURE IN THE CENTRE OF THE FIN.

This layout represents a pair of fins. If you want your design the same on both fins, then make your image 85cm x 23cm and we will repeat it.
If you want your design to run over both fins, then make your image 85cm x 46cm
